"Who is responsible for 9/11? Who were the 9/11 terrorists?" on 911Truthers.ca Is it any wonder that Americans want to know who did the 9/11 Attacks? Did they, in fact, just commit a crime - that is, take orders and perform dangerous tasks - and therefore deserve to be killed - like the 9/11 terrorists did? No! That is NOT how justice is served!"No one in America ever gave a fuck about the environment or made a difference for the planet," he told me. "It's a game, and if you don't play and try hard, you'll go nowhere, and your parents never come back. If you don't try hard, it's a matter of time before your brain dies from neglect.".. The kid who comes home from the park in his little Jeep with the big plastic tank, and who never leaves their house for six seconds before calling someone because it'll be cold, and then spends the next year being hauled around by a trailer park tow truck? Those types of kids don't have their families. Kids who are afraid to walk down the street because if they move too much they're killed, so they'll go to the playground and play hide and seek and that's what they play until they're dead.
